THE 1st ANNOUNCEMENT

Dear colleagues, dear friends,

We are happy to inform you that for the 8th year in a row we are going to organize Zadar Summer School of Neurosonology and Stroke Management!

This time we are inviting you to take part in the interesting Program which will combine reviews of the most interesting developments in stroke neurology and neurosonology along with many case reports and hands-on tutorials. We have not forget to surprise you again with the interesting social events.

We want you to bring and present your interesting cases along with our leading experts, no matter if they are the patients you managed successfully or you had a hard time finding a solution for. We are going to reward your active participation, please get more information from our website!

See you in Zadar!

Sincerely,

Branko Malojčić MD, PhD
